North Colonie Kids Care

Description:

The campaign called *North Colonie Kids Care* seeks to recognize individual students who are quietly doing what they can to bring about positive change in this world. To highlight these students and recognize them as the role models they are, we will be featuring one student a month with a presentation at a monthly Board meeting, followed by a profile of the student and his or her activities on the *North Colonie Kids Care* page on our district website.

Nomination:

Please nominate a student who exemplifies a commitment to service, be it locally or globally, for recognition.

Student Name: _____

Building and Grade: _____

Brief Description of the student's service:

_____
