Dear Parents, Guardians, & Friends,

As we prepare for our 2010 Fall sports season, we would like to take this opportunity to thank you for your past support, update you on recent Booster Club activities, and ask for your continued support of Shaker High School's 29 interscholastic sports.

The Shaker All Sport Booster Club financially supports all 29 interscholastic sports at all levels at Shaker High School. The Booster Club works together with parents, coaches, and administrators to help fund some non-school-budgeted items and activities for our student athletes.

During the 2009-2010 year, the All Sport Booster Club provided nearly \$42,000 to Shaker's sports programs for such things as travel, lodging, awards, gifts, equipment and uniforms. For the upcoming 2010-2011 school year, the Booster Club is working toward an ambitious budget of approximately \$43,000 to purchase similar items.

In order to continue this tradition, we need your **contribution**:

**Please consider making a monetary donation to the All Sports Booster Club** to help the Club in its efforts to support your student athlete's sport(s). You can do this by using the form below.

**Please volunteer for concession stand duty** during the school year when your coach or team parent requests help. Our football, basketball, wrestling, gymnastics and daily indoor concession stands are the primary sources of Booster Club revenues and their success depends on people like you volunteering.

**Please consider volunteer, donating and/or participating in our first annual fall golf classic (Monday, August 30<sup>th</sup>)**. A brochure is included with this letter which will provide you all the additional details and the entry form.

Finally, we would like to take this time to thank all the individuals who have contributed and worked so hard to make the 2009-2010 school year a successful one for Shaker High School and the All Sport Booster Club.

*Best wishes for another great Shaker Blue Bison sports season from The All Sport Booster Club Board!*
