

BOARD MEMBER AUTHORITY

The Board of Education shall have the powers and duties as **stated in the Education Law and other applicable New York State Law**, and it shall consist of nine (9) Members nominated and elected by the qualified voters (see Policy 2120.2) of the district. Election of Board Members will be from the district at large for specific vacancies on said Board and will be held at the annual budget vote.

Board Members have the authority of Board office only when they are officially in session and are acting collectively as a Board.
