

DRUG FREE SCHOOLS REGULATION

The North Colonie Schools will apply annually for grant funds made available under the Drug Free Schools and Communities Act.

All non-public schools within the district will be invited to co-apply for the grant allocations. The grant application is to be completed prior to November 1 of each year in which the grant monies are to be made available.

Representation for the annual planning for the grants will be through the District Substance Abuse Operational Task Force. Each of the three sub-committees — Parent Awareness, Student Awareness and Staff Awareness — will be afforded the opportunity to propose programs to be included in the grant project.

Allocated grant monies not expended in a given school year, will be considered for carryover and inclusion in the next year's project.
