

EMERGENCY PLANS REGULATION

In compliance with Section 155.17 of the Regulations of the Commissioner of Education, an Emergency Response Team, consisting of a representative from each of the following areas shall be established:

Emergency Coordinator – Superintendent of Schools
Deputy Emergency Coordinator – School Business Administrator
District Safety Specialist
High School Principal
Junior High School Principal
Elementary School Principals
Faculty Representative
Director of Transportation
Director of Maintenance
Director of Pupil Personnel Services
Supervisor of Food Services
Student Representative
Parent Representative

The function of the committee will be to develop, review and update the District Emergency Management Plan. During an emergency, the Planning Committee shall function as an operations group under the direction of the Emergency Coordinator.
