8330-R

AUTHORIZED USE OF SCHOOL-OWNED EQUIPMENT REGULATION

Use of Portable School Equipment

All requests for outside use of school equipment, as provided for in Board of Education Policy **8330**, shall be processed through the Building Principal/Administrator or his/her designated assistant. The Principal/Administrator shall further insure, prior to granting approval for such use, that proper supervision and operation of said equipment shall be observed.

Note: Prior regulation, Use of Portable School Equipment,
