

After School Art

Loudonville PTA is once again offering an after school art program. This year we will be extending the program to 6 weeks and offering a variety of arts and craft activities. Each art teacher will bring a unique focus and artistic style to their group. Students will be assigned to age appropriate groups and have the opportunity to explore various artistic methods. Projects may include drawing, watercolor painting, felting, pointillism, ceramics, collage and art education.

Class size is limited and classes will be filled on a first-come, first-served basis.

- The program will run on Mondays beginning February 27, 2012 (Mar, 5, 12, 19, 26 and April 2)
- Class will start directly after school and go until 4:30.
- The class will be \$20/student.
- Please send a simple peanut free snack for after school.
- Please send a note giving your child permission to attend the program each Monday.

Parent volunteers are also needed to run this program, so we are asking that each parent let us know what days they might be available to help. You will be contacted prior to the date we need you. Volunteers should plan to arrive by 3:30 and stay until the last child leaves at 4:30.

Please send registration and payment (\$20) to the office in an envelope marked "After School Art". Checks should be made payable to "Loudonville PTA"

Registration is due by Friday, January 27

Please contact Amy Favreau @ 423-2163 or afavreau@nycap.rr.com with questions.
