Re: Resignation

It is with a great deal of sadness that I am informing you and the members of the Board of Education that I am resigning from the North Colonie Board of Education effective April 4, 2008.

During the past year I have been having health issues including diabetes and this combined with my exhaustive work schedule has taken a toll on my body. I wish that I could have completed this school year, but I am resigning now so as to legally enable the district to advertise for a candidate to be able to run in the May 20, 2008 election for the balance (2 years) of my term expiring June 30, 2010.

Over the past twenty four years, I have had the privilege and honor to meet and work with so many dedicated school employees and other parent volunteers; including Boght Hills and Shaker Junior High School PTAs, the AIDS Advisory Council, other District committees, Friends of Music and my thirteen years of service as an officer and member of the Board of Education.

I have always tried to balance my responsibilities and vote for what is in the best interests of our students as well as the taxpayers and residents of the district. It is very hard to give up something that I have loved doing for thirteen years and will very much miss this important part of my life.

Sincerely,

David P. Rosenthal
