

Internet Safety Parent Alert!

Security 101 For Parents
MySpace/Facebook

- ** Are you aware of your child's computer interactions? **
- ** Do you know who they are talking to on a daily basis? **

Sgt. Ken Fuchs from the Colonie Police Department will be conducting an Internet Safety presentation that will focus on social networking. He will teach parents how to navigate these sites and inform them of the potential dangers that are associated with them.

Learn how to keep up with your child's computer interactions and to protect them against potentially dangerous situations. Ninety three percent of teens in this country are online on a regular basis and chances are you child is one of them!

Join us for a night of Internet Education and learn more about the growing online world of social networking.
