### **Additional Information**

The staff offered a wide variety of activities and students volunteered to participate in them. At Shaker High School, the Key Club, the Ski Club, the Crew Club and the Marching Band showed a large increase of student participation. Ongoing clubs and activities reported a high degree of participation on the part of students. At both the junior high and high school, the student activities offer tremendous opportunities for students to develop their interests and talents and to interact with staff in special ways. These activities continue to be a valuable part of the North Colonie School District and make a tremendous difference in the lives of many of our students. Board of Education support for these clubs continue to be greatly appreciated.
