AUTHORIZATION

I have carefully read the regulations and agree to support them. I understand that I will lose my parking permit permanently if I accrue 20 unexcused tardies. Other infractions may lead to the immediate suspension of my driving privileges for a time determined by the Taft Hall Principal and/or The Parking Committee and that repeated infractions of the regulations may lead to possible suspension of my driving privileges for the remainder of the school year without refund of permit fees. I further understand that the school will not be liable if my vehicle is damaged on school property or while it is being towed from school property for an infraction of the regulations. If a car is towed, then the owner is responsible for towing fees.

8. **No student's automobile may be moved from the lot before the official close of school unless the student has an early dismissal, early release or has been given written permission from a hall principal or the building principal. Students who violate this rule will lose their parking permit.**
9. Making a copy of or selling a parking permit will result in additional consequences and loss of parking privileges.
10. Violation of any of the parking rules will lead to the immediate suspension of the student's parking permit.
