

**Welcome back to Southgate!** For those of you who are new to our school, we welcome you to your first year at Southgate.

The PTA supports the Southgate community and sponsors over 30 activities and events for Southgate students and their families. The PTA depends on membership and volunteers to provide a wide range of educational and cultural programs such as a field trip for each grade, Author's Day, cultural programs, and Science Enrichment Day. As the new school year begins, we once again ask for your support so we may continue to enhance your child's learning experience. All parents, teachers and staff can join the PTA. PTA membership is an individual membership. We encourage each family member to join and remind those wishing to be a room parent that he or she must be a PTA member to be a PTA Room Parent.
