- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and field of discipline of the certification or degree; and
- Whether your child is provided services by paraprofessionals and, if so, their qualification.

Should you wish to exercise your right to obtain the above information about your child's teacher, please contact the office of the Superintendent of Schools in writing at the following address to make your request.
