

SHAKER HIGH SCHOOL

Version 6.1.16

TO ALL STUDENTS:

June 2016

1. The back of this page is your "Student Test Schedule" form. Schedules of all school and Regents exams will be posted throughout the building. Each classroom teacher will inform you of the time and place of your examination. Record this information on your "Student Test Schedule." Please retain this schedule. **It is the only copy you will receive.**
2. If you have been absent or have misplaced your "Student Test Schedule," all information regarding your examinations will be available in your Hall Office for your reference during the examination period. Prior to June 7th, any information regarding your examinations can be obtained from your classroom teacher.
3. If you do not have an examination during the first testing period, but come to school on the morning bus for the second testing period, you may study in the LaFollette Dining Room or a previously designated area which may be announced over the PA system.
4. The LaFollette Cafeteria and/or Hole-In-Wall will be open for breakfast and lunch service during examination weeks. Meal options will vary and may be limited depending on program participation.
5. The following statement will be read at all Regents examinations:

You cannot have any communications device, including a cell phone, with you during this exam or during any breaks (such as a restroom visit). Such devices include, but are not limited to:

- Cell phones
- Blackberry devices and other PDAs
- iPods and MP3 players
- iPads, tablets, and other eReaders
- Laptops, notebooks, or any other personal computing devices
- Cameras or other photographic equipment
- Headphones, headsets, or in-ear headphones such as earbuds, and
- Any other device capable of recording audio, photographic or video content, or capable of viewing or playing back such content

If you brought any of these items to the building today, and have not already stored it in your locker or turned it over to me, a test monitor or school official, you must give it to me now. You may not keep your cell phone or any of these items with you, or near you, including in your pockets, backpack, desk etc. If you keep a cell phone or any of these items with you, your exam will be invalidated and you will get no score. Is there anyone who needs to give me any of these items now? This is your last opportunity to do so before the test begins.

Therefore, students are strongly discouraged from bringing any electronic device (not required for the exam) into a test setting.

- In the case of REGENTS EXAMS, any electronic device (not required for the exam) found ON or NEAR a person WILL result in nullification of the exam and a score of ZERO.
- In the case of FORMAL (NON-REGENTS) exams, any electronic device (not required for the exam) found ON or NEAR a person MAY result in nullification of the exam and a grade of ZERO.

Options for Students regarding cell phones during Regents Exams:

- A. *Do not* bring a cell phone or electronic device (not required for the exam) into the testing site
- B. Place cell phone or electronic device in their school locker
- C. Place cell phone or electronic device in an envelope (available in the testing site) and give to a proctor in the test site (to be returned at the conclusion of the exam)
- D. Place cell phone or electronic device in a backpack
 - Cell phone or electronic device MUST be powered off and MUST be kept away from the student (placed in an area in the back of the testing site)
