

September, 26, 2017

Dear Parent, Guardian, and School Staff:

Pursuant to the State Education Law Section 409-H, this notice is to inform you of a pending **emergency chemical application to district grounds (see details below)**. You may wish to discuss with Mr. Mark Wiegert, Director of Custodial Services, (518) 273-4844, what precautions are being taken to protect your child from exposure to these chemicals. Further information about the product(s) being applied, including any warnings that may appear on the product labels that are pertinent to the protection of humans, animals, or the environment, can be obtained by calling the National Pesticide Telecommunications Network Information Line at 1-800-858-7378, or the New York State Department of Health Center for Environmental Health Information Line at 1-800-458-1158.

REQUIRED INFORMATION	INFORMATION DETAILS
Application Date	Saturday, September 30, 2017
Application Location	SHS- Athletic Field #2 and #6 (See Map)
Product to be Used	Sevin SL (Grub Control)
EPA Pesticide Registration Number	EPA #432-1227
Applicator	TruGreen Lawn Care : 518-465-8504 <i>Pesticide Business Registration Number: 08945, 08985</i>

As a reminder, the following pesticide applications are not subject to prior notification requirements:

- ❖ a school remains unoccupied for a continuous 72-hours following an application;
- ❖ anti-microbial products;
- ❖ non-volatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- ❖ non-volatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- ❖ silica gels and other non-volatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- ❖ boric acid and disodium octaborate tetrahydrate;
- ❖ the application of EPA designated biopesticides;
- ❖ the application of EPA designated exempt materials under 40 CFR 152.25;
- ❖ the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

Please feel free to call Mr. Wiegert at (518) 273-4844 for information on products that are scheduled to be applied, as noted below.
