

STUDENT RIGHTS AND RESPONSIBILITIES

The school has an obligation to educate students in the rights and responsibilities of citizenship. As part of their education, students should be made aware of, and should exercise, those rights and responsibilities as they exist within the school environment.

Students should strive for academic excellence. In doing so, students should be knowledgeable about and abide by rules and regulations of the school and district. They should be regular and punctual in attendance and show respect for themselves and others.

When concerns or complaints arise, students should contact their counselor, teacher, department supervisor, hall or building principal.

STUDENT DRESS CODE

While the Board of Education does not establish a specific dress code, students will be expected to maintain dress and appearance which is appropriate for school in this community.

The use of any attire bearing an expression or insignia which can be interpreted to be in any of the following categories is forbidden:

- Advocates prejudice toward race, creed, color, age, national origin, sex, sexual orientation, religion, disability or any group;
- Is harassing or discriminatory;

- Health and safety to the wearer and others;
- Possibility of damage to school property;
- Indecency;
- Distraction so as to interfere with the learning and teaching process.

Students will be asked to change their appearance to conform to these regulations. A student may be barred from regular classroom attendance until the matter has been resolved. Students also may be excluded from field trips and extracurricular activities for inappropriate dress or appearance.

Each student is responsible for his/her own behavior.
