Programs (all classes are from 9am-12pm)	
Week 1 - July 5-9	Every Child is an Artist - Do you have a budding artist on your hands? This week we will instruct your kids to paint like Picasso... you will be surprised at their creations!
Week 2 - July 12-16	Hawaiian Hullabaloo - Aloha! Come celebrate all things summer with sand, water, dancing and music.
Week 3 - July 19-23	Around the World in 5 Days - Every day we will visit a new country and learn about the food, dress, language, and special customs.
Week 4 - July 26-30	Fairy Tales with a Twist - STEM is the new magic! We will combine the new with the old, capturing everyone's interest with entertaining stories brought to life with STEM activities.
Week 5 - August 2-6	So You Want to be in the Circus? - Come play fun carnival games and create your favorite circus animals and snacks. This camp will perfect your prize-winning skills, teach you circus tricks, and hone your clown acting!
Week 6 - August 9-13	Hollywood Movies - Drama queens and movie buffs? This camp is for those kids who want to be introduced to some new (old) movies, practice some acting drills, and be stars for a week!

Optional Small Group Literacy and Math work

For a small fee of \$25/week, we are offering an optional math and reading tutoring group for 4-6 year olds! If your child has struggled with remote learning, lost some skills during the Covid 19 shutdown last spring or you feel they may regress over the summer, this little bit of small group work will be perfect for them. It will be built into the camp schedule, and very much theme and play based... FUN!
