

## Handout #3

### NINTH GRADE ELECTIVE OPTIONS

For students who have already selected a course to meet their Fine Arts requirement, the following courses may be available if there is room in a student's schedule to choose electives. Electives are offered in Art & Design, Business, Family & Consumer Sciences, Math, Music, Technology, and World Languages. Please refer to the online version of the Shaker High School Course Catalog for detailed course descriptions. Courses with a \*\* meet the Fine Arts graduation requirement. A (P) following a course title indicates there is a prerequisite for the course. Please note: Courses may be available in either or both semesters depending on enrollment requests.
